NISD – Gifted/Talented Enrichment Advisory Council

**GTEAC
2016 - 2017**

WHAT IS GTEAC?

NISD Gifted/Talented Enrichment Advisory Council is a parent/educator/community advocacy group working to serve the needs of high-achieving students in the Northside Independent School District.

WHO WE ARE

We are parents and educators of children in the NISD G/T Advanced Learning Program for High Achievers (ALPHA) Program. As parents and educators of G/T students, we hope to empower you with the information and support you need to help your child reach his/her maximum potential.

WHAT WE DO

The Northside ISD Gifted/Talented Enrichment Advisory Council is a group of volunteer parents and educators that meets quarterly, alongside district Gifted/Talented and Advanced Academic staff. This diverse group works to facilitate communication between parents, staff, the school board, as well as the community, in matters pertaining to the district's services for Gifted and Talented students. We hope to improve the quality of services district-wide.

GTEAC iGniTe Fund

The GTEAC iGniTe Fund was established to provide NISD G/T teachers with supplemental funding above and beyond the provisions of the regular NISD budget for resources, supplies, and other items that will enhance the NISD ALPHA Program.

In 2015-16, we were able to award 8 grants districtwide, totaling more than \$3000! The money to fund these grants was generated by the support from our GT families who either made donations directly to the iGniTe fund and/or participated in our FUNdraisers.

Grant winners include:

Elementary:

Pauline Cornforth (Forester ES)
Oscar Sierra (Boldt ES)
Kimberly Williams (Thornton ES)

Middle School:
